

THE CROCHET BACKPACK COLLECTION

YOUR REPEAT-CUSTOMER SYSTEM · 4 PARTS

The Repeat Order *Engine*™

Turn every backpack buyer into three orders: what to send after the sale, when to offer the matching set, and how to get her to send her friends.

One buyer, three orders

Finding a new customer takes photos, posts, groups and luck. Getting a happy customer to order again takes **one well-timed message**. A mom who loved one backpack has a second child, a niece, a best friend with a birthday next month. This book makes sure she thinks of you every time.

1 The 3-Order Follow-Up System

Copy-paste messages for Day 1, Day 14 and Day 45 after every sale — as a DM, an email and a printed note, with 3 variants each.

2 The Matching Set Menu

8 backpack + wallet + pouch bundles with suggested USD prices, and the discount logic that keeps your hourly rate intact.

3 Printable Thank-You & Referral Cards

6 designs, 4×6 in / A6 — in the separate file “Repeat Order Printable Cards”. How to use them and run your friend codes.

4 The Seasonal Drop Calendar

10 drops a year — back-to-school, Halloween, holidays, Valentine’s, Easter, birthdays — with the design and colors to launch.

+ Printable planners

Customer list · follow-up schedule · referral code log.

The engine at a glance

Day 0	Day 1	Day 14	Day 45
Sale. Ask for the child’s birthday and favorite colors. Thank-you card + care card in the parcel.	Thank-you message. Prevent problems, set up the photo.	Review + photo + the matching piece at set price.	Next occasion, VIP early access to the next drop, friend code.

THE ONE QUESTION TO ASK AT EVERY SALE

“Last thing — when is [child]’s birthday and what are her favorite colors? I send my customers a little something before birthdays 🎂 ”

Write the answer in your Customer List (back of this book). It powers the Birthday Club drop — the easiest repeat order of the year.

PART 1

The 3-Order Follow-Up System

Three moments, three formats, three variants. Pick the variant that matches who bought (A, B or C), change the words in [brackets] and send.

VARIANT	USE IT WHEN...
A	She bought it for her own child
B	She bought it as a gift (grandma, aunt, friend)
C	She bought it for herself (women's backpack)

DM

Instagram, Facebook
Messenger, Etsy messages.
Short and warm. Best for local
and social customers.

EMAIL

For customers who gave you
their email at checkout and
agreed to hear from you.
Subject line included. Keep it
personal, not a newsletter.

PRINTED NOTE

Day 1 goes in the parcel. Day
14 goes in a sealed envelope
marked "Open in 2 weeks 📧".
Day 45 is a postcard you mail
or hand over.

Platform rules: on Etsy, only message buyers about their own order and don't send unrequested marketing through Etsy messages; for emails, only write to buyers who agreed to receive them (a checkbox or a "yes" in chat). When in doubt, use the printed notes — they always work.

Day 1 — The Thank-You

1

Goal: Make her feel great about buying from you, prevent problems before they become bad reviews, and plant the seed for a photo.

When: The day the order arrives (or the day of pickup). The printed note goes inside the parcel.

Hi [Name],

Your backpack should be with you today — thank you so much for your order. Every stitch was made by hand, and I hope [child] feels how special it is.

Straps: pull the cord through the side loops to make them shorter or longer.

If anything isn't perfect, just reply to this email and I'll make it right.

Hi [Name],

Your backpack arrived today — I hope it's love at first sight.

A few things: it will soften and relax a little with use (that's the cotton), hand wash cold and dry flat, and don't overfill the drawstring — it keeps its shape longer.

If anything isn't right, reply to this email and I'll fix it.

Thank you for supporting handmade,

PART 2

The Matching Set Menu

A matching wallet is only extra money if she comes back to buy it. Sets make the second piece an easy yes — at the first sale, on Day 14 or at the next holiday.

Your single-piece price list

PIECE	MATERIALS	HOURS	FORMULA: MATERIALS + HOURS×\$12 + \$5	SUGGESTED PRICE
Toddler mini backpack	\$9	2.5 h	\$44	\$45
School-size backpack (lined)	\$14	4 h	\$67	\$70
Women's mini backpack	\$20	5 h	\$85	\$85
Matching wallet (from 30 Wallets & Clutches)	\$4	1.25 h	\$24	\$25
Zip pouch / pencil case	\$3	1 h	\$20	\$20
Name keychain / bag charm	\$2	0.5 h	\$13	\$15
Matching clutch	\$6	2 h	\$35	\$35

THE SET DISCOUNT LOGIC (WHY SETS DON'T COST YOU MONEY)

Every single-piece price includes a **\$5 buffer** for packaging, listing and platform fees. In a set you pack once, ship once and list once — so every extra piece saves you about \$5. **That \$5 per extra piece is your set discount.** The customer saves, and your hourly rate stays at ~\$12.

- **2 pieces:** about \$5–6 off · **3 pieces:** about \$10 off · round to a price ending in 5 or 9.
- Never discount the backpack alone — the saving always belongs to “the set”.
- Shipping on a set is charged once — tell her: “one parcel, one postage”.
- Post-sale add-on (Day 14 message): the matching piece at set price for 30 days. It's the same logic — no new packaging round for you if you ship it with her next order, and a small, easy yes if you don't.

How to offer a set (3 moments)

AT THE FIRST SALE (BEFORE PAYMENT)

"Would you like the matching pouch too? As a set it's \$[set price] instead of \$[separate total] — same color, one parcel, one postage 😊"

DAY 14

Use the Day 14 message (Part 1): the matching piece at set price until [date].

BEFORE A HOLIDAY OR DROP

"This year's [holiday] sets are ready: the Grandma Gift Box (\$79) and the Sibling Set (\$129), gift-wrapped. Past customers get first pick until [date] 🎁"

ETSY TIP

Create one listing per set ("Matching Crochet Backpack and Pouch Set, Personalized...") with the set price, and add a line in each single-backpack listing: "Want it matching? See the set in my shop." Sets also rank for "gift set", "matching set" and "mommy and me" searches.

PART 3

Printable Thank-You & Referral Cards

Six designs in your palette, ready to print at home — in the separate PDF “Repeat Order Printable Cards”. Here’s how to use each one and how to run your friend codes.

CARD	WHEN TO USE IT	WHAT’S ON IT
1 • Thank You	Every parcel	Front: thank-you message. Back: care instructions + your handwritten note.
2 • Stitch by Stitch	Every parcel (alternative design)	Front: “Made by hand, stitch by stitch”. Back: lines for a personal note + “made by” and hours.
3 • Give This to a Friend	Every parcel from Day 0 • Day 45 postcard	Front: referral invitation. Back: friend code + discount + how to use it.
4 • First Day of School	Back-to-school orders	Front: “A little backpack for a big adventure”. Back: first-day photo invitation + note lines.
5 • Holiday Joy	November–December orders	Front: holiday greeting. Back: “share the joy” friend code.
6 • Backpack Family (VIP)	2nd order and beyond	Front: VIP early-access card. Back: loyalty stamps — 3 orders = a free pouch.

HOW TO PRINT

- **4×6 in:** print at 100% on 4×6 photo paper or cardstock (most home printers have a 4×6 tray).
- **A6 (UK/EU/AU):** choose “Fit to page” — A6 has almost the same proportions.
- **Letter/A4:** choose “Multiple pages per sheet: 4” and cut along the edges.
- Print front pages, flip the stack, print backs (or glue two sheets together).
- Cardstock 200–300 gsm (65–110 lb cover) feels premium.

HOW TO RUN FRIEND CODES

1. Give every customer a code: **FRIEND-[FIRSTNAME]** (e.g. FRIEND-EMMA).
2. On Etsy, create one coupon code per customer in Marketing → Sales and discounts (or a single shop code and ask the friend who sent her).
3. Offer: **\$5–\$10 off her friend’s first order + the same off your customer’s next order.**
4. Write every use in the Referral Log (back of this book) and send the “Her friend used the code” message.

PART 4

The Seasonal Drop Calendar

A “drop” is a small, limited collection with a start and an end date. It gives past customers a reason to come back every season — and a deadline to decide.

The 7-day drop launch

WHEN	STEP	WHAT TO DO
T-7 days	Teaser	Post a close-up of the new yarn colors or a half-finished piece. "Something new is coming on [date] 🧶"
T-3 days	Sneak peek	Photo of the first finished piece. Tell people how many spots there will be.
T-2 days	VIP early access	Send the Day 45 message to every past customer: 48 hours of first pick before anyone else.
T 0	Public launch	Post in your feed, stories, Marketplace and the mom groups that allow promotion. Open the Etsy listings.
T+3 days	Half-way	"Half the spots are gone 🧡" — update the count honestly.
T+6 days	Last call	"Last 2 spots before I close [drop] on [date]". Then close it — and mean it.

HOW MANY PIECES PER DROP?

Spots = weeks the drop is open × pieces you can finish per week. Add 2–3 ready-made pieces for people who want it now. Selling out is the goal: "sold out" posts bring more people to the next drop than "still available" ever does.

THE BIRTHDAY CLUB

Every Monday, look at your Customer List for birthdays 30–37 days away and send the Birthday reminder message (Part 1, extras). It's the only drop that runs all year, and the easiest yes you'll ever get.

YOUR YEAR ON ONE LINE

Jan Valentine Hearts → Feb–Apr Bunny Garden & Mommy & Me → May–Jun Strawberry Summer → Jun–Aug Back to School → Aug–Oct Pumpkin Patch & Cozy Autumn → Sep–Dec Holiday Gift Drop → Dec Last-Minute Ready-to-Ship · Birthday Club every week.
