2

Sew the gusset ends to the zipper-strip ends to make a ring of about 69 cm / 27.25 in.

♥ EARS

3

Sew the ears to the upper front edge, 10 cm apart, so half of each stands above the top.

♥ FACE

4

Sew the nose 2 rounds below the center; fix 12 mm eyes 5 cm apart above it.

♥ WHISKERS

5

Embroider 3 white whiskers on each side of the nose; sew pink cheeks.

♥ JOIN THE BODY

6

Front panel to ring, wrong sides together; sc through both layers, 1 sc per panel st (78), easing at the 12 markers.

♥ JOIN THE BODY

7

Open the zipper halfway, then join the back panel the same way (78 sc). Fasten off and weave in.

♥ JOIN THE BODY

8

Check the shape: squeeze the gusset so the backpack stands flat on its base.

♥ HARDWARE

9

Fold each tab around a 25 mm D-ring; sew to the bottom back corners, 3 cm in from each side.

♥ HARDWARE

10

Sew strap tops 2 cm apart at the back top center, 4 cm below the zipper. Thread ends: slider, D-ring, back through slider.

♥ FINAL TOUCHES

11

Sew the handle ends over the strap tops, 6 cm apart. Tie the tail to the zipper slider so it swings as she walks.
