What to say

"For brothers and sisters I do a set price — they match, but each one gets their own character. Two different designs are 8% off, identical twins 12% off."

Add-ons per set

- Names embroidered: +\$8 each
- Matching colors across the set: free
- Big + little sibling (L + S size of the same animal, adapt with the Vault sizes): price each at its line, then apply the set discount
- Gift box for the set: +\$6

Rules that protect your margin

- 50% deposit before you start; set delivery 3-4 weeks
- No set discount stacked with wholesale prices
- Custom colors outside your yarn card: +\$6 per backpack
- Your costs include yarn, zipper, hardware, eyes and \$1.20 packaging; hours are the making times from the spec sheets

Item	Amount
Yarn for the whole set	
Zippers + D-rings + sliders + eyes	
Packaging (\$1.20 each)	
Total costs	
Profit = SET TOTAL – total costs	
Hours for the set	
Profit per hour = profit ÷ hours (is it above your minimum?)	

Example: Floppy Puppy (Classic \$75) + Lucky Ladybug (Quick \$65) = A \$140 · B 8% · C \$140 – \$11.20 = \$128.80 → \$125 · D name on both +\$16 · SET TOTAL \$141 · deposit \$70.50.
