1• Open your coach

Your coach lives here:

<https://resource.onlysell.lat/sewing-pattern-bible-oto2/a1dcn3sdwi/coach/>

1. Open the link above in any browser (Chrome, Safari, Edge) — phone, tablet or computer. No app, no login, no password.
2. **Bookmark it.** On a phone, tap Share → **Add to Home Screen** so it opens like an app, right next to your machine.
3. Type your question and press **Send**. Your conversation stays on your device; tap **New chat** to start fresh.

2• Ask like this

You want to know...	Type something like...
Your size	"My bust is 98 cm, waist 80, hips 106 — what size am I?" (inches work too)
Which pattern	"List all the dresses" · "Which pattern for a first shirt?" · "Easy summer patterns for men"
How much fabric	"How much fabric for W001 Wrap Dress in size 44 with 115 cm wide fabric?"
A fit problem	"My shirt gapes at the neckline" · "Horizontal folds at my lower back"
Needle & thread	"What needle and stitch for jersey?" · "Can I use linen instead of cotton for W054?"
Between two sizes	"How do I grade between 42 at the bust and 46 at the hips?"

Tip: always give the **pattern ID** (e.g. W061), your **size**, the **fabric** and **what you see**. Add "short answer" if you're in the middle of a seam.

3• What's inside

File	What it is
Your Private Sewing Coach™ (the link above)	AI coach that knows all 156 patterns of your Bible (IDs, sizes, levels, fabric and yardage), the size tables, fabrics & needles, the 40 fit fixes and your 5 bonus guides. 24/7, unlimited questions.
the-fit-fix-library.pdf	The 40 most common fit problems: what you see, why, fix on the finished garment AND on the paper pattern, with diagrams.
fabric-and-needle-match-chart.pdf	23 fabric cards (needle, thread, stitch, seam finish, pressing, interfacing, pre-wash, recommended patterns) + an index of all 156 patterns.
7-day-first-garment-plan.pdf	Day-by-day plan to finish your first garment (W061 Elastic-Waist Skirt), with a printable tracker.

Your coach is an AI, not a person: it's trained on your patterns and guides and will tell you when it isn't sure. For anything big (cutting expensive fabric, unpicking a finished seam), double-check with your pattern PDF first.
