NOTES

Terms

1. Work starts when the 50% deposit is received. The deposit buys the fabric and reserves your spot; it is non-refundable once the fabric is cut.

2. The ready date depends on attending the fittings on the dates above. A missed fitting moves the ready date.

3. Changes after cutting (style, length beyond the seam allowance, fabric) are quoted before they are made and may add time.

4. Small adjustments (length, straps, elastic) are free within 14 days of pickup. Changes in body measurements after the last fitting are charged per the alterations menu.

5. Balance is due at pickup. Items not picked up 30 days after the ready date may be sold to cover costs.

6. Handmade pieces can vary slightly from photos and samples; fabric colors vary between screens and dye lots.
