PRINTING RULES (SAME AS THE MAIN COLLECTION)

1. Print at **100% / "Actual size"**. Never "fit to page" or "shrink oversized pages".
2. Before printing the whole pattern, print the page with the **test square** and measure it: it must be exactly **10 cm / 4 in**. If it is off by more than 1 mm / 1/32 in, check the scale setting and print again.
3. Tiled A4 / Letter pages: trim or fold one margin, match the page numbers and the triangle marks using the assembly map, tape, then cut your size.
4. Seam allowances as marked on each pattern: 1.5 cm / 5/8 in on wovens, 1 cm / 3/8 in on knits.

Choosing the size (body measurements, cm / in)

8	128 / 50 1/2	66 / 26	58 / 22 3/4	70 / 27 1/2
10	140 / 55	71 / 28	61 / 24	75 / 29 1/2

Choose by chest for tops and dresses, by hip for pants and skirts, and check the height for length. Between two sizes, take the bigger one and add a growth hem. Kids' patterns are drafted for children's proportions — don't shrink adult patterns instead.
